Public Hearing to consider final approval of Ordinance # O-12-3-01

An Ordinance adopting the combined annual budget and appropriation such sums of money as may deemed necessary to defray all necessary expenses and liabilities of the Butterfield Park district, DuPage County, Illinois for the fiscal year beginning on the 1st day of May 2012 and ending on the Thirtieth (30th) day of April 2013 and specifying the purpose.

Discussion: Executive Director Reiner explained that this has been sent over to Attorney Freeman to review and everything appears to be in order. There are some minor modifications, reflecting the Final numbers that were received from DuPage County. Director Reiner brought the changes to the attention of the Board and the public. The primary change affected account 301 DuPage County Real Estate Taxes. (Decrease) Director Reiner indicated that rather than amending the expenditure side of the Budget by \$1,000; we will be accepting the responsibility of generating an additional \$1,000 in account 304.

Commissioner Kryger noted that when making spreadsheets like this it is helpful if the titles are present at the top of every page.

President Kryger asked if there were any questions from the public or any further discussion. There being none; he asked for a motion to adjourn.

MOTION TO ADJOURN

Upon a voice vote, the motion passed:
