IMMEDIATE RELEASE

SUBJECT: Needs Assessment Underway-Survey to be Mailed

It is an exciting time to be a resident of the Butterfield Park District! A survey will soon be mailed to determine the current and future needs of the park district programs and projects. The DiGrino Yoder Assessment Team was hired to assist with the development of the survey and tabulation of the results which are expected to be presented in October. “This information will be used to help focus the park district resources in the areas that will have the greatest positive impact on our residents”, commented Director Michael Hixenbaugh. The last time the park district conducted such an effort was in 2001. The park district encourages all residents to complete the survey to ensure that the information received will accurately reflect the needs of the community.

For more information please contact the Butterfield Park District at (630)858-2229 or visit our website at www.butterfieldpd.com.
