Learning Nest Preschool April Newsletter

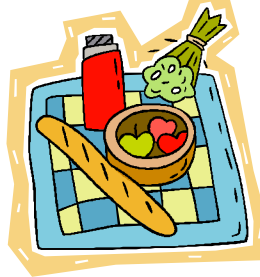

Important Year End Information

It is hard to believe that there are only seven weeks left to the 2009-2010 preschool year! This month's newsletter will provide you with important end of the year information. April and May will be busy months, so please remember to check your child's back pack daily for communication from your child's teacher.

APRIL

April 6th – Invitation to the Year End Family Picnic will be sent home. For those of you who are new to the preschool, the Year End Family Picnic is a day for our families and friends to come together and enjoy the simple pleasure of a picnic. It is a day to enjoy your children and families, and a day to step back from the fast paced lives that most of us lead, and just relax. There will be picnic games (coordinated by the parents), a barbeque (provided by the park district), and an array of salads and desserts fit for a King! Our Year End Family Picnic is a time for food, family, friends and fun.

Parents, siblings and grandparents are all welcome! We hope you can make it.

First Week in April – Picnic volunteer letters sent home. The parent coordinator from each class (a volunteer position that was posted at your child's Open House in the Fall) will be contacting you to help organize your classroom volunteer efforts. The parents from each classroom will be in charge of 2-3 picnic games or activities and a specific "dish to pass". (*These games can be as simple as a potato sack race, or a bubble blowing contest. Ideas for activities might include face painting or a treasure hunt. The simpler the better.*) **If your child's class did not have a parent sign up to coordinate your class's picnic efforts, your child's teacher will be sending home a note asking if anyone would like to volunteer now. Please consider taking on this volunteer position.**

MAY

May 15th – Last day to RSVP to the Family Picnic. Please RSVP no later than May 15th.

May 25th – Last day of school

May 26th – Year End Family Picnic
