About Our Staff:

- Butterfield Park District Rec Kids program are supervised daily by Site Supervisors who are highly qualified and experienced in working with children. Rec Kids counselors are a mixture of mature and enthusiastic college and high school students.
- Approximate child to staff ratio: 10 to 1. All staff attend a training program, which includes topics such as: supervision, safety techniques, curriculum development, and CPR/First Aid training. All staff work as a team in all activities, projects and events.
- We are proud of our staff and think you will feel the same. Illinois park districts are required under the Park District Code (70 ILCS 1205/8-23) to conduct a criminal background check through the Illinois State Police (ISP) on all applicants offered employment.

Butterfield Park District Rec Kids Before and After School Program

- **Butterfield Park District programs including Rec Kids is not licensed or regulated by DCFS.**
- Butterfield Park District Rec Kids is a recreation-based program.
- Our staff are trained to provide your children with safe and fun recreation activities while in our care. Butterfield Park District Rec Kids' goals are to provide a supportive environment in which all children can participate in activities that build self-esteem, encourage friendships, and teach group cooperation.

- Rec Kids will have a variety of recreation activities planned each day. This will include arts and crafts, sports, games and more.
- Rec Kids is our fun and exciting before and after school program. This program provides quality childcare services in a fun, safe and active environment. Breakfast is served in the AM session and a snack is served in the PM session. Each fee is per month based on the number of days needed each week. **Full No School Days are an additional fee. If you have already paid the admin fee and a Rec Kids participant any Early Release Days/ Half Days are included in your monthly tuition.** For further information, visit our website at www.butterfieldpd.com or call at 630-858-2229.
- Masks at Butterfield Park District and Rec Kids Before and After School Program are optional to be worn until stated otherwise.

Emergency School Closings:

- If schools are closed for any reason, we have new “emergency closing service protocol” services that will align more closely with our neighboring school districts. The Park District will no longer offer Emergency Snow Days or Emergency Cold Days when District 44 & 89 closes their schools. If the School District closes for those days, the Park District’s Butterfield Park District Rec Kids Programs will also be closed. Our first concern is for the safety of you and your family, as well as the safety of our staff, who must also travel to be here on those treacherous days. When our news broadcasters are advising everyone to stay home unless you must leave your home, we don’t feel it is in the best interest of everyone concerned to remain open at the Park District, putting you, your children or our staff at risk.
- When the schools close their facilities because it is unsafe for the school buses to be on the roads, it is not smart for us to entice you to come out of your home (to be on those same roads) to bring your children to the Butterfield Park District Rec Kids.
- The great news is that when the schools have planned Institute Day closures or other Holiday related closures, Butterfield Park District will still offer an outstanding experience at our Rec Kids Camp Experience. Examples: **The No School Days, Thanksgiving Camp, Winter, and Spring Break Camps are still offered and will be better than ever.** We will continue to offer many fun Camp Day experiences when there is no school offered. We simply are going to err on the side of safety during our often difficult and challenging winter months.
- We will send out an email communication and we will place the information on our “Rainout line” app that you may download to your mobile device. Please search Butterfield Park District. It is available on Android Market, Apple, and Amazon app store. As soon as we hear that District 44 & 89 will be closed due to Emergency Snow Days or Emergency Cold Days. This will be done as early as possible.

Illness

- For the protection of all children and staff, Butterfield Park District Rec Kids will not be able to accept a child who appears to be ill. Staff have the right to refuse admittance of a child who appears to be ill to attend on any given day. If a parent is unsure about their child’s health, please keep them at home. If the child is believed to be ill, parents/guardians will be contacted for pick-up. Please contact the Recreation Supervisor to discuss when your child can come back to the program.

If someone in the family has tested positive and the child is not showing any symptoms, they may come to the program. If the child starts to show symptoms, we ask that they stay home and wait for symptoms to not be present. If tested positive, it is 5 days before returning back to any program as well as having no symptoms.

- It is in our policy to not allow interaction outside our program, we believe that it is important to set guidelines regarding the interaction and communication between participants and staff outside of the Butterfield Park District Rec Kids program.
