BUTTERFIELD
PARK DISTRICT
2023/2024

November 2023

Dear Residents & Community Members,

This is an exciting time at the Butterfield Park District! The Glenbriar Park expansion project is nearing its final phase. This summer was spent improving the safety of the park by removing the buildings and installing a perimeter fence. This next phase will begin soon and will include the following new facilities:

- (2) basketball courts.

- (4) pickleball courts.

- A sledding hill.

- A Gaga pit and other games.

- The continuation of fence along the exterior of the park.

- The expansion of open space and nature areas in the northwest section of the park.

- Additional parking lot that enters from Route 53.

- The addition of over (50) new trees and other landscaping.

All of these wonderful new additions to the park are scheduled to be completed by the Fall of 2024 and will continue the great work that has already been completed on this park.

The future is very bright for all of us as we look towards the completion of this project! We have begun the process of gathering community input to guide future projects. We always need feedback and input from you, the community that pays for and uses our parks and programs. There will be multiple opportunities through focus groups, surveys, and community meetings to share your ideas. Please consider taking some time out of your schedule to respond to the survey. In the meantime, please email me any of your ideas and they will be added to the list of possibilities! Please send me an email at mhixenbaugh@butterfieldpd.com or call me at 630-858-2229 ext. 12.

It is my honor to serve as your Director and I look forward to hearing from you!

MARTIAL ARTS

**SHOTOKAN KARATE**

Shotokan Karate is a traditional Japanese Martial Art founded by Master Gichin Funakoshi. Shotokan Karate remains firmly rooted in a strong martial arts tradition, emphasizing lifetime training for a healthy mind and body, rather than strictly as a sport. Shotokan Karate is a way for an individual to realize greater potential and expand the limits of that individual's physical and mental capabilities.

Through this class participants will learn the art of self-defense through drills involving kicking, punching and blocking. This course will help develop flexibility, self-discipline, stamina, concentration, courage, and respect. Shotokan Karate focuses on three main criteria. These include the basic techniques, forms or patterns of moves, and sparring.

ARNIS STICK FIGHTING

If you are looking for a challenge or a new form of martial arts look no further as the Butterfield Park District also offers Arnis Stick Fighting. This form of martial arts originated in the Philippines and involves training with one or two Kali sticks. Practice close, mid, and long-range combat techniques, as well as proper foot work and body motion. We will begin by practicing the basic steps, and gradually move to one on one combat.
