PARK DISTRICT

BUTTERFIELD PARK DISTRICT

Greetings,

Welcome to a season of warmth, connection, and celebration in our beloved parks!

As we welcome the vibrant hues of autumn, we're reminded of the invaluable role our public parks play in our community. These spaces not only offer opportunities for recreation and leisure but also serve as vital hubs for connection and rejuvenation amidst the changing seasons.

Firstly, we extend our heartfelt gratitude for your support in the recent annexation referendum. Your overwhelming endorsement has enabled us to secure additional funds for the Butterfield Park District without any increase in resident tax rates. This success underscores our commitment to serving you with resourcefulness and dedication.

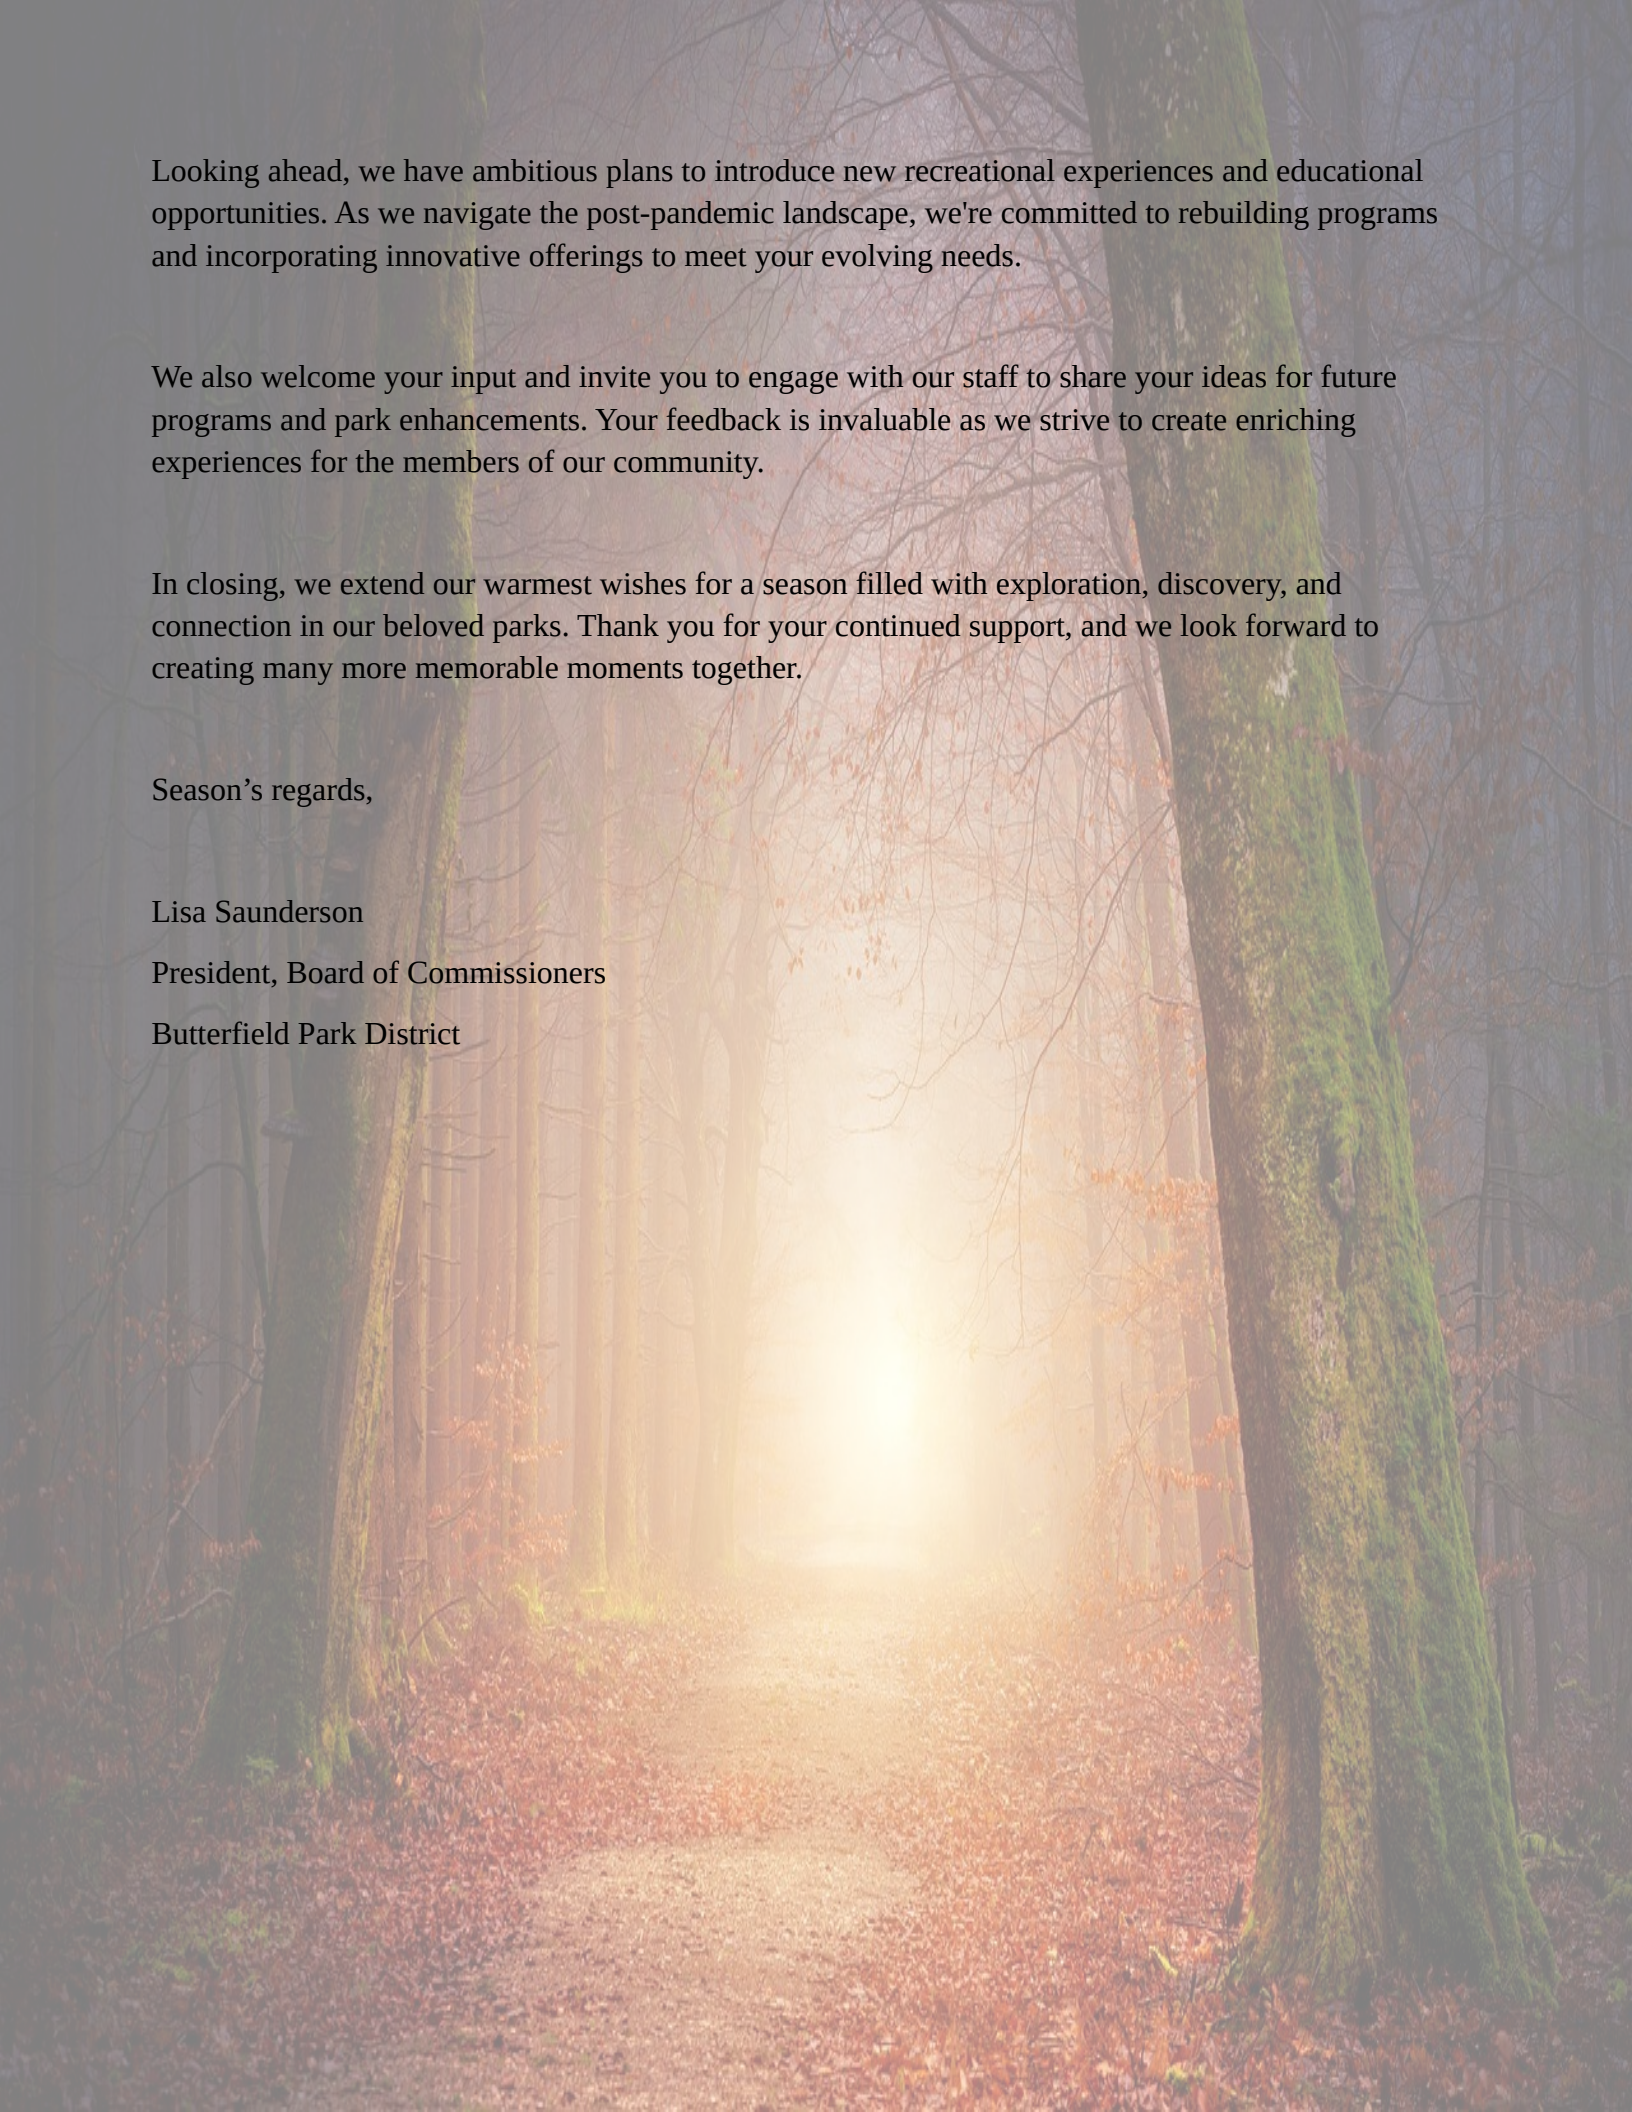

One notable outcome of this support is the development of Glenbriar Park, a testament to our district's ingenuity and vision, the likes of which are not found even in much larger districts.

This addition enriches our community's recreational landscape and exemplifies our ongoing efforts to enhance park facilities and programs

Furthermore, we're excited to announce our collaboration with ComEd grants aimed at making improvements and reducing district expenses. These initiatives align with our mission to optimize resources while maintaining the high standards you've come to expect from us.

Each of our parks boasts its own unique charm and amenities, steeped in rich histories waiting to be explored. We encourage you to visit them all, immerse yourself in their stories, and partake in the diverse experiences they offer.

Moreover, we've embarked on a journey to diversify our park landscapes by introducing a variety of tree species from around the globe. We invite you to take a leisurely stroll through our parks, marvel at the array of trees, and delve into their fascinating origins.

A photograph of a forest path in autumn. The path is covered in fallen red and orange leaves. Large, moss-covered tree trunks line the path, and a bright light source, likely the sun, is visible in the distance through the misty trees.

Looking ahead, we have ambitious plans to introduce new recreational experiences and educational opportunities. As we navigate the post-pandemic landscape, we're committed to rebuilding programs and incorporating innovative offerings to meet your evolving needs.

We also welcome your input and invite you to engage with our staff to share your ideas for future programs and park enhancements. Your feedback is invaluable as we strive to create enriching experiences for the members of our community.

In closing, we extend our warmest wishes for a season filled with exploration, discovery, and connection in our beloved parks. Thank you for your continued support, and we look forward to creating many more memorable moments together.

Season's regards,

Lisa Saunderson
